In order to enable to Government consuming departments to purchase Khadi. The several centres should be instructed to produce more kaki especially in Vellakkoil, Avanashi and Payyanoor where ever there is large production.

O.P.R.
27/12.

Call for particulars in different departments what kind of cloth is being used for the different purposes and how much amount they are spending yearly for it within a week.

O.P.R.
27/12.

With reference to H.Pr.'s. minutes above, two drafts are submitted below for approval. It is presumed that H.Pr. desires to have the information regarding the kind of cloth used by the various Departments for various purposes prior to the issue of orders in G.O.No.135, F.D., dated 15-3-1948, wherein khadi has been ordered to be used for all State purposes and the annual expenditure incurred thereon. As a measure of caution, in addition to the above particulars, information in regard to the expenditure incurred or will be incurred in 1948-49 has been called for.

Under the orders issued in G.O.No.135, F.D., dated 15-3-1948, local bodies (Dt.Boards, Panchayat Boards and Municipal Councils) also indent for khadi. It is not known whether H.Pr. requires the above particulars from the local bodies also. The particulars may be obtained from the local bodies also and kept ready so that they may be furnished to H.Pr. in case those particulars are also required.

After issue of the drafts, the file may be sent to L.A.Deptt. with the request that the particulars on the lines called for from the Govt. Departments may be called for from the local bodies also and furnished to this Deptt. within a week in a consolidated form.

It is pitiable three officers (~~Mx&x~~ M.S.O.P.F.56 and A.S. I are absent at the same time. Practically the whole of the working day I have had to spend with H.Pr. and yet in view of ~~x~~ the urgency I am this at 5.30 P.M.
